

**INTEGRIS Medical Education is going ELECTRONIC**

*We are moving from paper to electronic evaluations in 2017*

**HOW IT WORKS:**

- 1) Use or download a QR Code Reader on your smart phone.
- 2) Open the QR Code app on your smart phone.
- 3) Scan the QR code provided at the CME activity by pointing the camera at the code. The app will automatically scan the code.
- 4) Your phone will then automatically open the evaluation in Survey Monkey on your phone.
- 5) Complete the evaluation on your phone at the end of the CME activity. All submissions are anonymous unless you chose to add your name.
