

INTEGRIS Baptist Medical Center

STAFF CATEGORY DESCRIPTION

Active Staff: The Active Staff shall consist of Medical Staff Appointees who have been designated to transact all business of the Medical Staff. They shall have evidenced interest in and loyalty to the Medical Center by regularly treating their private patients in the Medical Center. Active Staff Appointees shall be required to be involved directly or indirectly in the care of more than twenty-five (25) Medical Center patients per year, either through admission of such patients to the Medical Center or consultations with attending physicians of Medical Center patient.

Provisional Staff: Applicants to the Active Staff, Consulting Staff and Courtesy Staff who are appointed as Medical Staff Appointees shall initially be appointed to the Provisional Staff for a minimum period of one (1) year.

Courtesy Staff: The Courtesy Staff shall consist of those Medical Staff Appointees who do not regularly use the Medical Center for treatment of their private patients. In order to maintain Courtesy Staff status, Medical Staff Appointees must document their admission or involvement in the care or treatment of at least five (5) patients during their appointment period.

Consulting Staff: Consulting Staff shall consist of recognized specialists who may be called upon to perform specific medical procedures relating to patient care as requested by another Medical Staff Appointee (except for another Consulting Staff Appointee) who is the attending physician for the patient for whom the consultation request is made. Consulting Staff Appointees shall not be entitled to admit patients to the Medical Center or assume the role of attending physician. Consulting Staff Appointees shall not be entitled to hold staff or departmental office, vote at staff or departmental meetings, or have any other assigned duties or responsibilities.

Senior Active Staff: Appointees shall retain the right to vote at staff and departmental meetings. Senior Active Staff Appointees shall be subject to appointment for special duties at the discretion of the Executive Committee.

Heart Center Associate Staff: Appointees shall not be entitled to hold staff or departmental office or vote at staff or departmental meetings, and shall not be required to undertake any other assigned duties or responsibilities.

Associate Staff Appointees: Shall be entitled to physician parking and library privileges at the Medical Center, notification of and participation in staff functions and educational events sponsored by the Medical Center, receipt of INTEGRIS publications, and participation in other non-patient care benefits as may be determined by both the Executive Committee and the Board of Directors from time to time. Associate Staff Appointees shall not be entitled to admit patients to the Medical Center nor assume the role of attending physician, nor shall they be granted any clinical privileges.
