

INTEGRIS Bass Baptist Health Center

Active Staff to transact all business of the Medical Staff. Active Staff Appointees shall be eligible to vote at all meetings of the Medical Staff and their respective departments and to hold office in the Medical Staff and in one (1) department. They can be expected to serve on any committee of the Medical Staff and the activities of their respective departments. They shall attend such patients as are admitted to their service and shall accept the responsibility of attending physician as called upon to do so pursuant to the emergency patient care call schedule.

Consulting Staff Appointees shall offer a level of expertise not sufficiently available on the Medical Staff. Consulting Staff Appointees shall not be entitled to admit patients to the Medical Center or assume the role of attending physician. Consulting Staff Appointees shall not be entitled to hold staff or departmental office, vote at staff and departmental meetings, or have any other assigned duties or responsibilities. If performing procedures at the Medical Center, Consulting Staff Appointees must provide back-up coverage.

Affiliate Staff shall consist of Doctors of Medicine, Doctors of Osteopathy, Podiatrists and Dentists who do not care for patients in the Medical Center, who limit their practice to ambulatory care, and who desire to be associated with, but do not intend to exercise privileges at INTEGRIS Bass Baptist Health Center. May visit their patients when hospitalized and review their medical records, but may not write orders or make medical record entries or directly participate in the provision or management of care for those patients. They may communicate with the hospital ancillary staff and medical staff regarding the care of their patient.
